**MORE:** The Greater Williamsburg Chamber & Tourism Alliance has partnered with the Hampton Roads Chamber of Commerce to develop the first-ever joint legislative agenda for the Hampton Roads Region. This collaboration also makes tourism a regional legislative priority for the first time, an addition led by the Alliance and developed by its Government Affairs Committee. Tourism now joins such issues as transportation, education and workforce development that have been long-standing priorities for all three organizations.

The region's joint 2010 Legislative Agenda can be viewed on the Alliance Web site, [www.williamsburgcc.com](http://www.williamsburgcc.com), in the Business & Government Affairs section.
