Williamsburg, VA – The newest artist to exhibit in The Art Gallery of The Greater Williamsburg Chamber & Tourism Alliance is Louise Chartrand. The gallery is located in the lobby of the Alliance at 421 N. Boundary Street is open Monday through Friday from 8:30 am to 5:00 pm. The works will be on display through the end of October.

Louise Chartrand is a painter/portraitist from Québec now residing in Toano. Self taught, she has worked in many techniques including ink, watercolor, pastel and oil. Her works are inspired by Greek, Roman, Indian and Egyptian mythology and reflect thoughts, feelings and meditation. Her portrait style is always original and exceptional. Her work has been seen all over the world, including multiple exhibitions in Mexico, Canada and France, and now at her own gallery in Toano, Gallery and Studio Louise Chartrand.

The Alliance opened the art gallery as part of its ongoing support of the arts in Williamsburg and to highlight the works of member artists.
